Quentin Road Dyslexia Solutions specializes in one-on-one dyslexia tutoring, in a warm, friendly atmosphere. Our Orton-Gillingham based tutoring system utilizes the Barton Reading and Spelling System. It is designed for children, teenagers, and adults with dyslexia. Our certified tutors work personally with students for one hour, 2 to 3 times a week. We **do not** tutor in a group setting.

The goal of Quentin Road Dyslexia Solutions is to help individuals gain the ability to read, write and spell at grade level or above. We know that the way to improve our community's future is to build a strong foundation in the children of our community today.

We have tutoring hours available Monday through Friday, from 8:00 am through 6:00 pm.

We find that this Orton-Gillingham based program is an excellent aid for anyone who struggles with reading and/or spelling. We will tutor anyone regardless of a professional diagnosis of dyslexia.

Our fees include a \$75.00 non-refundable registration fee and an hourly tutoring fee of \$40.00. We recommend tutoring 2 or 3 times per week. Tutoring 1 day per week is not consistent enough to show success.

We work with public and private school's reading specialists and resource departments to help struggling students.

We are the local resource center for the latest information on dyslexia and its treatment.

We are located in the northwest suburbs of Chicago. Our testing center is a part of the Quentin Road Christian School on the campus of Quentin Road Bible Baptist Church.

Professional Dyslexia Diagnostic Services are also available.
